

# 'The People of God'

Sets of 'people' to be used in the **Godly Play** OT stories from the desert are now available.

Each set is individually hand-crafted from recycled Oregon timber. There are 18 figures, each about 65 mm high, designed for use in a sand tray.

**Guarantee:** Timber is a natural product and it is possible for breakages to occur in normal use. Up to two 'people' will be replaced free of charge for each set purchased. There is only a finite amount of 'recycled Oregon' so when this supply is exhausted a suitable substitute will be found.

**Cost:** Each set costs \$75, including delivery costs.

**To order:** Normally there is a two week wait on each order, as they are made in according to demand. An invoice will be sent with the parcel.

Many thanks,
